

School Success: Inspire Motivation

Find Perspective

- Keep kids safe
- Raise independent adults
- Support socialization
- Parent first
- Facilitate vs teach
- It's ok to be caught off guard
- We're in this together

Transition

- Share emotions
- Be flexible
- Let go of control
- Don't rush (fun is good)
- Talk as a family
- Set routines with kids
- Make space for feelings
- Make space for learning
- Allow for privacy

Create Learning Opportunities

- Facilitate
- Ask teacher/school
- Encourage self advocacy
- Process over product
- Learning over busy work
- Explore online activities (look for engagement)
- At-home activities (games, puzzles, cooking, cleaning, budget, planning, gardening)
- Assessment (conversation, explanation, debate, tests/quizzes)
