

PEACE OF MIND WITH PEACE AT HOME

Back-to-School Survival Guide

Build Connection. Calm the Nerves. Stay the Course.

New environments.
New teachers.
New friends.
New routines.

High
expectations and
big resolutions.

It's exciting—
and exhausting.

So how do you
harness all that
fresh school-year
energy and keep
going through the
inevitable humps
and bumps?

With a little Peace
At Home *magic*
and the
reassurance that
we've got your back.
