

Why should my child attend an IEP meeting?

- “Nothing about me, without me”
- Learning advocacy skills/advocate for themselves
- May be invited for a portion of meeting as appropriate

If your child is attending their IEP meeting...

- Prepare child in advance
 - What is the meeting about?
 - What would they like the team to know?
 - What do they think is going well or not so well?
 - Are they using all of their accommodations/modifications?
 - What works best for them?
 - Do they have any other ideas?
- Child does not need to attend entire meeting
